### PERSONAL DATA COLLECTED

As mentioned before, ROCKET will be processing your personal data, which you have provided us or will provide us with the corresponding to identification, academic, employment and others necessary to our line of business specialized in business consulting. Your data, information and documentation will be held in safekeeping. This information held in safekeeping can help us to offer better solutions and improve our business practices.

### USE OF PERSONAL DATA

This information held in safekeeping can help us to offer and improve our business practices specialized in business consulting, development, processes and other related areas to our line of work, as well as any legal relationship that can arise between you and ROCKET, this contains transmission of events, campaigns, agreements, and all type of contacts that can help us enrich our programs. This data could have been obtained in a personal way or directly through any electronic device, including optic, visual, through sound or any other technology that applies.

Through this medium, you confirm that the personal data obtained is correct and consent that ROCKET can do the following actions with the data as part of our internal processes of data treatment:

- Check your identity and truthfulness of the information provided if applicable.
- Document your participation in any ROCKET program.
- Document and formalize the legal relationship that could arise between you and ROCKET.
- Safekeeping of the information for all the time ROCKET deems necessary in databases located at its current or any other future domicile, both in Mexico and abroad.
- In exception of sensible data, your information could be used for secondary purposes related to ROCKET, which are as follows: marketing, publicity, events, activities, products and services.
- Create databases for statistical purposes.
- Share your data to employees, providers, distributors, affiliates, contractors, commercial allies, service providers, strategic partners, academic institutions and other ROCKET advisors for the purposes mentioned above
- ROCKET may transfer your personal data to authorities at all levels (Federal, State, Municipal), public and private bodies, as long as it is requested for law enforcement purposes or under the authority of the law, to various companies and/or individuals, in Mexico or abroad, as well as to our parent Company.

### USE AND SHARING OF DATA

The personal data being shared will be kept in strict confidentiality, according to our best practices of administrative safety techniques, both physical and digital, in order for ROCKET to implement its policies and procedures of safety, for which it's strictly forbidden to share without permission, only limited to third parties, as seen before in this privacy notice.

You may oppose the handling of this personal data at any time and choose to limit the use or sharing of information, within the limitations of the law; if your opposition request is valid ROCKET will stop handling your personal data without any liability being incurred by us. Therefore, in accordance with the law you may at any time exercise your rights for access, rectification, cancellation and opposition to the processing of your personal data (ARCO). The request must be submitted to the mail [contacto@justrocket.com](mailto:contacto@justrocket.com) together with the applicants ID. Upon receipt of the request, the procedures established for enabling the applicant exercise their ARCO rights will be applied and, within 20 business days from the date on which receipt of your request is acknowledged.

### TRANSFERRING PERSONAL DATA

ROCKET is able to share your personal data with third parties, in Mexico or abroad, with the purposes stated above. The third parties whom ROCKET may eventually share the personal data are professional external consultants and service providers that will only be reviewing the information with the purpose of completing the ends described above.

#### COOKIES AND WEB BEACONS MANAGEMENT

ROCKET informs you that, even if your web browser uses Cookies for our internal forms or through our email communications. In the same manner, ROCKET manifests that in this web page there is no web beacons. Therefore ROCKET informs the users that in any moment they are able to deactivate the use of this mechanisms, following the instructions for each parent company, owners of the browser, that have established their own mechanism to activate or deactivate Cookies and Web Beacons.

#### CHANGES TO THIS PRIVACY POLICY

ROCKET keeps this Privacy Notice under regular review and reserves the right to update or modify this Privacy Policy at any time and from time to time without prior notice. Please review this policy periodically, and especially before you submit an application. This Privacy Policy was last updated on the date indicated below. Your submission of an application or continued use of the Site after any changes or revisions to this Privacy Policy shall indicate your agreement with the terms of such revised Privacy Policy.

This Privacy Notice shall be governed by the substantive and procedural laws of the State of Nuevo Leon, Mexico. All disputes, controversies or claims arising out of or in connection with this Privacy Notice shall be settled by competent Federal Courts sitting in Monterrey, Nuevo Leon, Mexico.

Should you have any questions or comments about any of the above, please contact [contacto@justrocket.com](mailto:contacto@justrocket.com) for assistance.

This Privacy Policy was last updated on October 4, 2017.
